I understand that for the safety of my child(ren), I will give a written notification if any changes in my child(ren)'s transportation occur. A student must ride the bus at least 1-2 times per week to be considered a regular bus rider (and listed on the bus roster).

Before we are allowed to release a child to someone other than a parent or guardian, we must have permission from that child's parent or guardian. If someone other than you will be picking up your child(ren) at various times throughout the school year, please fill out this form and return it to the School Office. We will keep a copy on file so that you will not need to call or write a note each time. If you live close to School and your child(ren) have your permission to walk home after school, please inform us of that also. If you have any questions, please feel free to call the School Office (635-4382).
